

OSHA MANUAL FOR VETERINARY AND ANIMAL CARE SERVICES

Prepared in consultation with OSHA experts,
Veterinary and Healthcare Professionals.

Note: This OSHA manual provides extensive coverage of various safety regulations for veterinary and animal care facilities mandated by OSHA. The information has been mainly collected from Occupational Safety and Health Administration (OSHA) regulatory texts. Additional information has been collected from materials published by the National Institute of Safety and Health (NIOSH) and the Center for Disease Control (CDC). It is our intention to make OSHA compliance easy for your facility. The manual has comprehensive information for training purposes only. A training outline and an OSHA test can be found in the welcome package to assist in training your employees. The documentation kit accompanying this manual has all the mandated plans, please complete them for compliance.
