

CAL/OSHA MANUAL FOR DENTAL OFFICES

Prepared in consultation with Cal/OSHA Experts and Dental Professionals.

Note: This manual provides extensive coverage of various safety regulations for dental facilities mandated by Cal/OSHA. The information has been mainly collected from California Division of Occupational Safety and Health (Cal/OSHA) and Occupational Safety and Health Administration (OSHA). Additional information has been collected from National Institute of Safety and Health (NIOSH) and Center for Disease Control (CDC). It is our intention to make Cal/OSHA compliance easy for all dental facilities. The manual has comprehensive information for training purposes only. A training outline and an OSHA test can be found in the welcome CD or folder to assist in training your employees. Cal/OSHA mandates employers to complete safety plans under various standards. The documentation kit accompanying this manual has all the plans. Please complete them for compliance.
