

WISHA MANUAL FOR DENTAL OFFICES

Prepared in Consultation with WISHA Experts and Dental Professionals.

Note: This manual provides extensive coverage of various safety regulations for dental care facilities mandated by Washington Industrial Safety and Health Act (WISHA). The information has been mainly collected from the Washington State Department of Labor & Industries, Division of Occupational Safety and Health and Occupational Safety and Health Administration (OSHA). Additional information has been collected from the National Institute of Safety and Health (NIOSH) and the Center for Disease Control (CDC). It is our intention to make WISHA compliance easy for healthcare facilities. Comprehensive information in this manual is for training purposes only. A training outline and a WISHA test are provided in the welcome package to assist you in training your employees. WISHA mandates employers to complete safety plans under various standards. The documentation kit accompanying this manual has all the safety plans, please complete them for compliance.
